Other	<p>Annual Fee is waived after 15 years.</p> <p>Long Term Care (LTC) Rider is an indemnity-based feature that pays a monthly benefit to the annuity owner, in the event of a qualified long term care event, regardless if Account Value falls to zero (subject to eligibility and investment allocation requirements), until LTC benefits are exhausted. LTC benefits are paid to the owner automatically, subject to periodic verification of ongoing eligibility (see prospectus for additional details). Monthly LTC benefit amount is contingent on Premium Paid, and the options chosen, and when LTC benefits are taken.</p> <p>The annuity owner may receive up to two times the Premiums Paid. Subsequent Premiums are only allowed in the first 90 days.</p> <p>Eligibility Requirements:</p> <ol style="list-style-type: none"> 1. A 90-day deductible period if satisfied, 2. A Licensed Health Care Practitioner certifies that the annuitant is unable to perform two out of six Activities of Daily Living (ADLs) for at least 90 days; and/or 3. A Licensed Health Care Practitioner certifies that the annuitant has a severe cognitive disability that requires substantial supervision. <p>'Acceleration Benefit' automatically provided, until the Account Value falls to zero. Thereafter the 'Extension Benefit' is paid until LTC benefits are exhausted. The duration of the 'Acceleration Benefit' and 'Extension Benefit' will vary, based on the option chosen. The 'Extension Benefit' provision allows the annuity owner to receive up to two times the annuity's Account Value. The 'Growth Benefit' allows for annual automatic step-ups if the Account Value exceeds the Benefit Base. Automatic step-ups will occur until the earlier of age 75 or until the Benefit Base equals \$800,000. The 'Growth Benefit' is paid during both the 'Acceleration and Extension Benefit' durations. If the Growth Benefit is elected, any withdrawal is an excess withdrawal and will reduce the Benefit Base Pro Rata, except if the Account Value is \$800,000+ or the</p>

	<p>annuitant is age 76+.</p> <p>Total LTC benefits are paid over a minimum six-year period. Maximum monthly LTC benefits are available after the fifth contract anniversary. Lower monthly LTC benefit payments may be received if the annuitant is not in a nursing home or in hospice care as early as the first contract anniversary. Lower monthly LTC payments are received over a period longer than six years, but total LTC payments remain the same.</p> <p>Minimum Initial Premium of \$50,000 to elect rider and the maximum Premiums Paid are \$400,000. Rider issue ages 45-74 (45-69 if the 'Growth Option' is elected). Annual rider charges is based on the Benefit Base, age, and option chosen and are deducted quarterly from the Account Value. The charge for the 'Accelerated Benefit' is 0.50% for the 'Growth Option' and 0.35% of the 'Level Option'. The charge for 'Extension Option' ranges from 0.26% - 0.76% annually. The charge for the 'Nonforfeiture Benefit Rider' ranges from 0.04% - 0.14%. Rider charges may increase at any time. Rider charge can exceed the gain on the contract. Rider must be elected at issue and can be terminated after the third rider anniversary. Rider benefits received for qualified long term care expenses are generally income tax-free (see prospectus for additional details).</p>

Unlike traditional annuitization, this benefit provides the owner access to the Account Value upon surrender, as well as providing the beneficiaries a death benefit.</p> <p>The period during which the owner retains access to the annuity's Account Value, and beneficiaries a death benefit, is referred to as the 'Access Period'. Thereafter, the 'Lifetime Income Period' commences and Account Values and death benefits will no longer be accessible. Upon election, income must commence within one year.</p> <p>The owner may select an Access Period, subject to the following guidelines:</p> <p>Access Period Minimum- 10 years or the greater of 20 years or the difference between the owners current age and age 90, if the Earnings Optimizer Death Benefit is elected.</p> <p>Access Period Maximum- to age 100 for Qualified contracts; the difference between the owners current age and age 115 for Non-Qualified contracts.</p> <p>(Access Period based on the youngest life for Joint Life annuities).</p> <p>Note that longer Access Periods will result in a relatively-lower Regular Income Payment amounts, as compared to shorter Access</p>	<p>Optional i4LIFE Advantage Guaranteed Income Benefit Rider guarantees that the Regular Income Payments under the i4LIFE Advantage will never be less than a specified level (see below*), regardless if the Account Value goes to zero. Automatic annual step-ups to 65% of the Regular Income payment if that amount is greater than the previous Guaranteed Income Benefit amount. A 4.00% Assumed Interest Rate is used in the calculation of the Regular Income Payment. The minimum Access Period will be the longer of 20 years or the difference between the current age and age 85.</p> <p>Upon election of i4LIFE Advantage Guaranteed Income Benefit Rider, the Death Benefit previously on the contract will remain, unless the Estate Enhancement Benefit was on the contract, then a new Death Benefit must be elected. The Death Benefit will terminate at the end of the Access Period and will also terminate when the Account Value reaches zero.</p> <p>If the Joint Life option is elected, annual rider charge of 1.35% is deducted quarterly from the Account Value. The Joint Life Income % is based on the youngest Designated Life.</p> <p>The i4LIFE Advantage Guaranteed Income Benefit rider is available on IRA (for issue ages 59.5-80) and until age 95 for non-qualified contracts. Rider can be elected at issue or on any contract anniversary. For clients</p>
