<b>Other</b>	<p>Annual Fee is waived after 15 years.</p> <p>Long Term Care (LTC) Rider is an indemnity-based feature that pays a monthly benefit to the annuity owner, in the event of a qualified long term care event, regardless if Account Value falls to zero (subject to eligibility and investment allocation requirements), until LTC benefits are exhausted. LTC benefits are paid to the owner automatically, subject to periodic verification of ongoing eligibility (see prospectus for additional details). Monthly LTC benefit amount is contingent on Premium Paid, and the options chosen, and when LTC benefits are taken.</p> <p>The annuity owner may receive up to two times the Premiums Paid. Subsequent Premiums are only allowed in the first 90 days.</p> <p>Eligibility Requirements:</p> <ol style="list-style-type: none"> <li>1. A 90-day deductible period if satisfied,</li> <li>2. A Licensed Health Care Practitioner certifies that the annuitant is unable to perform two out of six Activities of Daily Living (ADLs) for at least 90 days; and/or</li> <li>3. A Licensed Health Care Practitioner certifies that the annuitant has a severe cognitive disability that requires substantial supervision.</li> </ol> <p>'Acceleration Benefit' automatically provided, until the Account Value falls to zero. Thereafter the 'Extension Benefit' is paid until LTC benefits are exhausted. The duration of the 'Acceleration Benefit' and 'Extension Benefit' will vary, based on the option chosen. The 'Extension Benefit' provision allows the annuity owner to receive up to two times the annuity's Account Value. The 'Growth Benefit' allows for annual automatic step-ups if the Account Value exceeds the Benefit Base. Automatic step-ups will occur until the earlier of age 75 or until the Benefit Base equals \$800,000. The 'Growth Benefit' is paid during both the 'Acceleration and Extension Benefit' durations. If the Growth Benefit is elected, any withdrawal is an excess withdrawal and will reduce the Benefit Base Pro Rata, except if the Account Value is \$800,000+ or the</p>

	annuitant is age 76+.  Total LTC benefits are paid over a minimum six-year period. Maximum monthly LTC benefits are available after the fifth contract anniversary. Lower monthly LTC benefit payments may be received if the annuitant is not in a nursing home or in hospice care as early as the first contract anniversary. Lower monthly LTC payments are received over a period longer than six years, but total LTC payments remain the same.  Minimum Initial Premium of \$50,000 to elect rider and the maximum Premiums Paid are \$400,000. Rider issue ages 45-74 (45-69 if the 'Growth Option' is elected). Annual rider charges is based on the Benefit Base, age, and option chosen and are deducted quarterly from the Account Value. The charge for the 'Accelerated Benefit' is 0.50% for the 'Growth Option' and 0.35% of the 'Level Option'. The charge for 'Extension Option' ranges from 0.26% - 0.76% annually. The charge for the 'Nonforfeiture Benefit Rider' ranges from 0.04% - 0.14%. Rider charges may increase at any time. Rider charge can exceed the gain on the contract. Rider must be elected at issue and can be terminated after the third rider anniversary. Rider benefits received for qualified long term care expenses are generally income tax-free (see prospectus for additional details).

		<p>- Length of Access Period - Applicable Annuity Mortality Table - Payment Frequency - Account Value</p> <p>The Account Value, less any applicable premium tax, is divided by 1,000 and then multiplied by the Annuity Factor to determine the Regular Income Payment amount. This payment amount is recalculated either each payment or annually and may increase or decrease based on whether the returns are higher or lower than the AIR (plus rider charges).</p> <p>Regular Income Payments qualify for a portion of each payment to be returned as cost basis. At the end of the Access Period, the Regular Income Payment is recalculated for the Lifetime Income Period and is based on the current Account Value and a revised annuity factor reflecting the end of the Access Period.</p> <p>Annual Persistency Bonus will be credited quarterly to the Account Value if the “Access Period” elected is the longer of 20 years, or the number of years difference between the client’s age and age 85, and if the policy meets the required “Threshold Level” (*see below) each quarter. The initial “Threshold Level” will be equal to the initial Premiums Paid or if the i4Life Rider is elected after issue, the Account Value when the first regular Income Payment is calculated. The “Threshold Level” will be increased for additional Premiums Paid on</p>
